**Looking for a small group study to lead?** Consider leading the Summer of Hope with Bob Goff. This study will be fun, interactive and can take place wherever and whenever you want. We will provide you with the resources (leader guide, online videos, and helpful tips), support and encouragement needed to have a great small group experience. Email Nate at [nseverson@hillcrestcov.org](mailto:nseverson@hillcrestcov.org) and he will connect you with all the details.

**Looking for a small group study to join?** Consider joining Joe and Judy LeMaster July 8 to August 12 from 6:30 to 8 PM as they lead a small group discussion of *The Color of Compromise* by Jemar Tisby. This hybrid group provides an in-depth diagnosis for a racially divided American church and suggests ways to foster a more equitable and inclusive environment among God's people.
