

HILLCREST

COVENANT CHURCH

Director of Worship Position | part-time

As the Lead Pastor at Hillcrest my hope and desire are to see people encountering God in transformative ways as we gather and serve. Our church is connected to the neighborhood, to each other, and to God's Spirit at work in us. Our music could be described as blended modern and we are focused on listening to God. The staff team at Hillcrest works together to tell a story each Sunday about God's love and hope from the pages of Scripture and applied to our everyday lives. We hope you will consider joining us and using the gifts and calling God has placed in your life. Looking forward to talking! —Nate Powell
